

AREA MAINTENANCE MANAGER

**Georgia Institute of Technology
Atlanta, Georgia**

ORGANIZATION

The Georgia Institute of Technology is one of the nation's top research universities, distinguished by its commitment to improving the human condition through advanced science and technology. Georgia Tech believes in providing a work environment in which all employees understand the impact of their contributions on Institute goals, are provided with opportunities for personal growth, and have a strong sense of pride in being a member of the Georgia Tech community.

BENEFITS

Georgia Tech offers medical, dental, vision, and life insurance, in addition to Georgia state retirement benefits, continuing education, and college tuition programs.

POSITION

The Facilities Department at Georgia Tech is seeking an Area Maintenance Manager.

A Technical Diploma, Associate Degree or two years of college required. Bachelors Degree preferred.

Qualified candidates must have at least six years of job-related experience and be proficient in MS Word and Excel.

This position provides leadership and direction to a 20 -25 member multi-craft team responsible for the operation, maintenance, repair, and minor renovation of over 1.4 million square feet of research, instructional, and administrative building space.

Selection process will include passing a pre-employment drug/alcohol screening test and criminal background check.
